

New Volunteers for Imagine If Theatre Company

Whether you want to gain experience with a professional theatre company, improve your C.V. with new skills or simply meet new people, *Imagine If* can provide you with a volunteering opportunity that could change your life for the better. Becoming a volunteer can be personally rewarding and help you to give something back to your community as well as developing vital personal and professional skills. We have a wide range of projects and roles that our volunteers fulfil including: website and social media updates, supporting the organisation of prison productions, representing imagine if at events, general administration and being involved behind the scenes in our theatre productions in theatres, community centres and prisons.

About Imagine If

Imagine if is a theatre company established in 2014 that seeks to change lives through theatre, they create thought-provoking productions about real societal issues for real people, in the here and now. These productions are toured nationally to theatres, community centres and prisons. *Imagine if* also delivers specialised theatre interventions in UK prisons; their flagship intervention, 'Bird on the Wing', is for prisoners due for release, which uses evidence led theatre techniques to address several risk factors for criminal behaviour, including interpersonal skills, communication skills, employability and personal narratives. *Imagine if* allows people to 'imagine if' within their own lives through the arts.

The successful volunteer will:

- Have an active interest in the arts and/or criminal justice sector
- Have strong organisational skills
- Be effective communicators
- Passionate about social change
- Be able to commit to a minimum of one day per week for 3-12 months

How to Apply:

Please email a CV and cover letter no longer than one page of A4 detailing why you are interested in volunteering to: admin@imagineiftheatre.co.uk

“This course has already built my confidence, self-esteem and communication skills more than private therapy or counselling ever could”
